

Converting EDM Math Smartboard Lessons to Nearpod

Path to file:

- X drive
- SHARED_ALL DISTRICT STAFF
- Elementary_Math
- 3rd Grade
- EDM smartboard Units
- Unit (whichever unit you are on)

Print the lesson:

- File
- Print
- Thumbnails
- Choose medium for thumbnail size

Once you have printed the lesson look at the slides. Make adjustments to the slides before you go to the next steps. For example: remove counter clocks, cross out slides you don't wish to use.

Save the lesson as image files:

- File
- Export
- Image Files
- Choose Destination Folder
- Size Large (1024 x 768)
- Press OK

**CONGRATULATIONS YOU ARE NOW READY TO CREATE YOUR
NEARPOD!**
