

Google Drive App

Allows you to open, view, rename and share your Google Docs and files.

What you can do:

1. Edit Google Docs
2. Rename your files by:

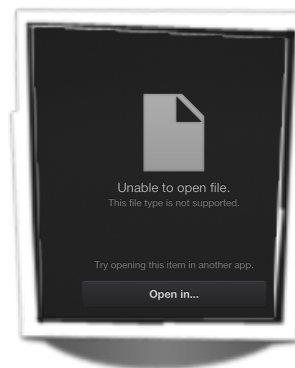

Clicking on the arrow next to the file...

...and then clicking on the icon in the top right hand corner and tapping on Rename.

3. Use other apps to open unsupported files by...

...tapping the document and clicking Open In.

4. Share something with others.
5. Star something for easy access.

What you cannot do.

1. View and edit Google Spreadsheets.
2. There is currently no trash section on the app.
